Department of Philosophy

UG Philosophy General Programme Outcomes (PO)

After completion of BA (General) students will develop following skills:

- 1:** Develop both linguistic and analytical skills that would prove useful in their next level of studies.
- 2:** Become able to relate to the social and national issues about which they acquire theoretical understanding in the classroom.
- 3:** Become capable of critically appreciating a scholarly presentation of any form and debate upon the issues which invite cross discussions.
- 4:** Project work and field study give them an experience to learn by themselves and experiment with the theoretical knowledge. This, in turn, infuses into them the confidence to become employable.
- 5:** Students get the training to do primary level of research work and thus they become motivated for advanced research when they go for higher studies.
- 6:** The programme instils among the students the greater values of life to become worthy citizens of the country.
