

Action Taken Report for Feedback Analysis (2021-22)

Prof. S Nurul Hasan College

For the academic year 2021-22, feedback from students, alumni, employers, and faculty highlighted areas for improvement in the following aspects: the peaceful learning atmosphere on campus and the ICT facilities provided in classrooms and laboratories.

Key Areas of Concern:

1. **Peaceful Learning Atmosphere:** Feedback suggested that the campus environment could be more conducive to peaceful study and reflection.
2. **ICT Facilities in Classrooms and Laboratories:** Concerns were raised about the quality and availability of ICT resources in classrooms and labs.

Actions Taken:

1. **Enhancing the Campus Learning Atmosphere:**
 - Additional green spaces were developed, with quiet zones created in specific areas of the campus to promote a peaceful environment for study and relaxation.
 - Noise-reduction measures were implemented, such as limiting construction work during academic hours and increasing the number of indoor study areas.
 - Campus beautification initiatives were undertaken, including improved landscaping, installation of more benches, and designated outdoor study areas to foster a tranquil learning space.
 - A “Green Campus” campaign was launched, encouraging students and faculty to participate in maintaining a clean and calm environment.
2. **Upgrading ICT Facilities in Classrooms and Laboratories:**
 - Installed modern projectors, smart boards, and upgraded computing systems in classrooms and labs to enhance digital learning experiences.
 - Expanded Wi-Fi coverage and improved internet bandwidth to ensure reliable, high-speed access across the campus, especially in classrooms and laboratories.
 - Regular maintenance and periodic upgrades of ICT equipment were scheduled to ensure continuous availability and functionality.
 - Faculty development workshops were organized to promote the effective use of ICT tools in teaching and to integrate technology into classroom activities.

Conclusion: Prof. S Nurul Hasan College remains committed to addressing the concerns raised in the feedback. Actions have been taken to create a more peaceful learning environment and to enhance ICT facilities, providing a better academic experience for all stakeholders. Ongoing assessments will ensure that these initiatives continue to meet the expectations of the college community.
